**Burnell Yowl!** and **E.A. Alexander** Yowl, 45, and Elizabeth, 40, form an artistic partnership: He's primarily a visual artist, she's a composer for musical theater. The two tied the knot in style last summer—they flew to Vegas and took their vows at the Graceland Wedding Chapel with an Elvis impersonator as celebrant. She's best known for her work on *Another Kind of Hero*, about Swedish diplomat Raoul Wallenberg, staged at the Walnut Street Theatre in 1992. Yowl, whose idea it was to punctuate his name, exhibits his surrealist/intuitive images regularly at the Show of Hands Gallery on Pine Street.
